- Outstanding procedural practice
- Student case conferences
- Simulation labs, procedure labs, SimWARs
- Mock Code experience
- Bedside Ultrasound Instruction
- EMS and SWAT experience
- Career planning seminar, Match process mentoring
- Individualized attention and feedback

HOW TO APPLY

Please submit the following:

- Complete Medical Student Application (available on our website)
- Medical school transcript
- Brief Personal Statement describing why you are interested in rotating with us in 1-2 paragraphs

Please visit our website for further details.
VSLO application also accepted if preferred.

ELECTIVE OPTIONS

Please also consider our elective options. These are excellent choices if you want to spend time with us but have already fulfilled your school's limit of Emergency Medicine core rotations.

- Ultrasound
- Wilderness Medicine (9/23/2024-10/20/2024)
- Surgical Trauma Critical Care
- Medical ICU for the EM Bound Student
- Simulation Medicine

SLOEs are available for all rotations except Surgical Trauma Critical Care.

BENEFITS

- Complimentary housing
- Free food at the hospital
- Beach and outdoor activities
- Very welcoming environment - students are always included in all social events, including our monthly Brews & Qs EKG session
